Last night my father made for us a spaghetti dinner. He makes the best meatballs in the world! I ate a lot of spaghetti. My brother spoiled the sauce on his white shirt. We all were laughing. I love when my dad makes spaghetti.

WRITING

The 28th of November
Bagan,
Russia

Hello editor. My name is Oleg. I want to thank you for your article about the ten greatest inventions. This article is very useful.

I think that it is very important to public articles like that. Because it helps the youngest generations to learn history about inventions. By the way I would like to suggest you another invention. In my opinion you have to make the second top ten greatest inventions and include my thing. This thing is mobile phone that is very important thing nowadays. It allows us to communicate with people who can be far away from us. We don't have to come to them. We can just press some buttons and call them to speak.

Hope you will make the second top ten. Thank you.

Best regards,
Oleg.
